CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Standard Bidding Document (SBD) must form part of all bids¹ invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *pe se* prohibition meaning that it cannot be justified under any grounds.
- 3 Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder, or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
- 4 This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (SBD 9) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for purchasers who wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

I, the undersigned, in submitting the accompanying bid:

1. OBJECTIVE OF THE REQUEST FOR PROPOSALS/BIDS (RFP)

The objective of this request for proposals (RFP) is to appoint a Service Provider to research and report to the commission on the appropriateness of the current remuneration package of the judiciary, in accordance with these terms of reference.

2. BACKGROUND

- 2.1 The Independent Commission for the Remuneration of Public Office Bearers (the Commission) was established in terms of section 2 of the Independent Commission for the Remuneration of Public Office-Bearers Act, Act No 92 of 1997 (Commission Act).
- 2.2 The Commission is mandated in terms of section 8(4) of the Commission Act to make recommendations on salaries, allowances and benefits of the Judiciary.
- 2.3 The Judicial Officers (Amendment of Conditions of Service) Act 28 of 2003 extended the definition of POBs to include the Judiciary.
- 2.4 Since its establishment, the Commission has undertaken three (3) reviews:
 - a) The first was a comprehensive major review whose main objective was to establish a fair and transparent remuneration system for all public office bearers including the judiciary. From the review, the Commission made recommendations regarding salary structures of all POB positions. Determination of medical aid and pension benefits was held over for future attention. This review report was published in March 2007.
 - b) The second review was a supplement to the major review in that it addressed pension and medical aid benefits and touched on tools of trade. All the said items had been held over from the March 2007 report. The commission made recommendations regarding pension and medical aid benefits, recommendations relating to tools of trade were held over further. This review report was published in April 2008;

c) The third review was the final supplement of the March 2007 major review report in that it made recommendations regarding the tools of trade, this being the only outstanding matter from the major review. This review report was published in August 2011.

3.5 The accumulation of submissions received by the commission over the years, the changes in responsibilities borne by the judiciary since the last major review as well as developments in the broad spectrum of POBs point to a need for a major review to consider whether the remuneration is adequate and consistent with the scheme envisaged by the Constitution.
